DETAILED ACTION

Information Disclosure Statement

The information disclosure statement (IDS) submitted on August 10, 2007 and October 5, 2007 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Claim Objections

Claims 1, 3-6, and 11-17 are objected to because of the following informalities:

Claim 1, line 11: It is unclear to the Examiner whether "area" should be pluralized.

Claims 3-6 and 11-17 are objected to as being dependent upon an objected claim.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1, 3-6, and 11-17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Art Unit: 2187

Claim 1 recites the limitation "a group" in line 11. There is insufficient antecedent basis for this limitation in the claim. The limitations of "a group" and "the group" had previously been recited, and it is unclear whether this latter limitation corresponds to the previous limitations.

Claims 3-6 and 11-17 are rejected as being dependent upon a previously rejected claim.

Allowable Subject Matter

Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claims 3-6 and 11-17 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
